## ANDREW ON THE WAY TO LUXEMBOURG AIRPORT IN GILBUS'BUS

### In Distroff

**Gilbus** : Hello my dear friend Andrew ! Look ! I'm here with my bus, especially for you !!!

**Andrew** : Oh my God ! A 30 seats bus just for us ! You'll make me feel like a hero !

**Gilbus** : But you are a real hero actually in all Valérie's stories, don't you remember ?

**Andrew** : Yes, I know that I have become a hero since the containment but it's nevertheless too much !

**Gilbus** : Never mind, I borrowed it from the company I work in, Trans Fench more exactly, they won't notice, they have so many buses you know... and I knew your wife had a lot of clothes and is very smart...

**Andrew** : Oh yes, you can't even imagine ! She doesn't know the weather it'll be like in London, so she packed all her clothes and all my clothes too, 4 suitcases and 4 big travel bags !

**Gilbus** : But she's incredible your wife ! Emily, is that right ?

**Andrew** : Yes that's it, Emily the best wife in the world ! Wait a minute, I'm going to call her... Emily ! Hurry up, come and have a look ! Gilbus is here with a bus to drive us to the airport !

**Emily** : Oh good morning Mr Atalok ! Nice to meet you ! You are very kind, I'll be able to lie down on two seats and take a little nap, thank you very much !

**Gilbus** : You're welcome Mrs Simpson ... So now we are going to put all your luggage in my bus and we'll be ready to leave !

**Emily** : Of course we are ready ! I'm so happy to go to London again !

**Gilbus** : It is not your first time ?

**Emily** : Of course not ! but Andrew will tell you ! Now let's go please !!!

### In the bus

**Gilbus** : So it isn't the first time you go to London Andrew ?

**Andrew** : No, we went there in february 2017 with ATNA and Carmen Caudy-Richard and it was really great !

**Gilbus** : Where did you sleep there ?

**Andrew** : We slept in a 3 stars hotel but I don't remember its name...

**Gilbus** : And what did you visit ?

**Andrew** : Oh so many exceptional places !

First we took a guided panoramic tour of the city, we discovered the beautiful monuments of Picadilly Circus, the Abbey of Westminster, Big Ben, Tower Bridge...

and then we had fish and chips in a « slug and lettuce » restaurant!

**Gilbus** : Oh that's very typical... and funny ! And after lunch ?

**Andrew** : After lunch we had a guided visit of the Tower of London which played a vital role in the history of England and where are the Crown Jewels !

**Gilbus** : Oh fantastic ! I think Emily should have loved it !

**Andrew** : Oh yes and she wanted me to buy her the same, I said no Emily, it's impossible, Be reasonable, I'll offer you another necklace, bracelet and ring when we come back to France...

**Gilbus** : Have you seen anything else the day after ?

**Andrew** : Oh yes of course ! On Thursday we had a guided tour of the Greenwich area, a place on the banks of the Thames and after lunch we had a guided visit of Kensington Palace which was the official residence of Princess Diana... she was a very cute woman, wasn't she ?

**Gilbus** : Oh yes she was ! I loved her !

**Andrew** : Me too ! And the last day we had a guided tour of Saint Paul Cathedral, the place where Charles and Diana got married a long time ago...

**Gilbus** : Was it your last visit ?

**Andrew** : Yes, exactly ! Finally we had lunch near Heathrow for the departure and it was finished...

**Gilbus** : Finished but I suppose you have great memories, you even made me want to go there too one day !... Oh Andrew ! We are arrived in front of Luxembourg airport, it was very nice chatting with you during the trip...

**Andrew** : For me too Gilbus, it was a real pleasure...

**Emily** ! Wake up, we are arrived !

**Emily** : Really ? Oh I took a good nap !

**Gilbus** : Andrew, do you have everything ?

all the travel agency documents, identity cards... ?

**Andrew** : Of course I have, I'm a well-organised man you know...

**Gilbus** : I see, now I wish you two to have nice holidays in London and don't forget to send a postcard to Valérie, our beloved English teacher !

**Andrew** : Of course we will think about her but about you too Gilbus ! You are a good man and a precious friend !

**Gilbus** : You're welcome Andrew ! Don't be afraid, I'll be here with my bus at Luxembourg airport when you come back, I believe Emily will buy a lot of things so you'll need space in the vehicle, a car wouldn't be enough !

**Emily** : Good bye Mr Atalok, thank you for everything ! In a few weeks, I'll invite you for a dinner if you please...

**Gilbus** : Of course I'll come, I know you are a very good cook Mrs Simpson! Good bye my friends !

**Andrew** : Good bye Gilbus ! Pay attention to the road!
